SPRING CELEBRATON!

Join us on Saturday, May 5, at 1:00 P.M. for a spring get together. There are many things that need to be done before the kids start riding on May 14th. If you can come and share your time with us we will be painting the steps and fence, cleaning tack, cleaning the shed and reorganizing, cleaning around in the barn and scrubbing the floor and doing some yard work. Many hands are needed to accomplish all of this. Bring a new volunteer and be entered in a drawing!

Enjoy a late afternoon bonfire, roast some hotdogs and marshmallows and enjoy other goodies. Please bring your own drinks.

We can never say Thank You enough to everyone who has donated to Health Directed Riding. Whether it has been with a donation of money, use of horses, equipment or your time and talents.

A special Thank You to those who contribute and support us through the United Way.

LET THE RIDING BEGIN

The spring riding session will start on Monday, May 14th, and will be in full swing by June 1st when school is out for the summer. The kids are waiting for the warm weather when they can come and ride the horses again. Hopefully this year the weather will be great and there will not be many cancelled sessions. Last year we had good weather for most of the riding season. Volunteers are always needed for side walking and leading so if you are able to help out a day or two a week, call Rhonda at 612-247-9582 or check out our web site at www.healthdirectedriding.org.

Available soon! Raffle tickets will soon be available for purchase or for you to sell. The drawing will be held on Saturday, October 6, 2007. This year there will be a work of art by Pat Rehbein, two halves of a hog, portable DVD player and case. This is a great opportunity for everyone to volunteer and be involved.

There are always many opportunities to volunteer. Side walkers and horse leaders are always needed and an extra pair of hands are always nice to have. Call Rhonda or check out the web site.

This past winter we lost Beau, a great horse who gave his heart to the many kids that he gave therapy to over the years. He was loved by all and will be sadly missed. Handsome, one of Pat's friends, was also lost this past winter. He was a good dog to have around and will be missed also.
